Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Town of Huntington Townwide Repavement Project in fiscal year 2025. The entity to receive funding for this project is the Town of Huntington, located at 30 Rofay Drive, Huntington, New York 11743.

The funding would be used for a paving project that directly targets areas that are in dire need of resurfacing. These roads are all throughout the township including areas with a lot of economic development. This repaving project would cover nearly 25 miles of road.

The project is an appropriate use of taxpayer funds because milling and paving local roads provides Hungtington town residents with a safe means of travel and allows for adjustments in asphalt to alleviate minor standing water issues. This project will also incentivize economic development by creating good-paying jobs for the repavement projects and allow for better travel throughout the town, encouraging residents to leave their homes and travel outside of their neighborhoods.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nick LaLota
