Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Old County Road, Westhampton Water Main Extension in fiscal year 2024. The entity to receive funding for this project is the Suffolk County Water Authority, located at 4060 Sunrise Highway, Oakdale, NY 11769. The funding would be used for the extension of public water main to replace water contaminated with PFAS. The project is an appropriate use of taxpayer funds because it supplies clean and safe drinking water to the people of Westhampton.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
